

ABOUT US

Capture has 30 years of experience as a leader in the collection, analysis and reporting of information aimed at developing strategic decisions for a variety of industries. We specialize in executing customer service assessment programs and organizational effectiveness research interviews.

Capture's customizable approach to surveys and data management provide comprehensive reporting and actionable intelligence that our clients can turn into improvements for their organizations.

CAPTURING THE FULL STORY THROUGH SUPERIOR DATA COLLECTION METHODS

"Thanks to their unique 'employee satisfaction' survey design and analysis, we enhanced our workplace initiatives and increased employee retention."

"Capture ISG was able to take the nuances of our research request and produce a product customized to our market. They were able to do the analysis and come back with clear and concise results."
